THE CENTERVILLE FOOTBALL PROGRAM

Centerville Football has long been recognized as one of the premier high school football programs in the state of Ohio. Over the past 34 years, the program has built a tradition of winning matched by few.

Centerville has won 292 games (77% winning percentage) in the past 35 years, while winning 21 Conference Championships. In this same time span, the team has reached the state playoffs 11 times, reaching the regional level every time, and were state runners-up in 1991. In 1986, the Elks finished the season ranked Number One in the state of Ohio.

CENTERVILLE STADIUM

Centerville football players have received many honors over the years. Included in these awards have been 43 All-Ohio Players and the 1986 Gatorade Midwest player of the Year in Kirk Herbstreit. Numerous Elk players have gone on to

very successful college football careers at all levels, including 72 NCAA Division 1 players. Five former Elks reached the ultimate level of football: the National Football League. Dave Preston played with the Denver Broncos, Dave Morrill played with the Cleveland Browns, Andy Harmon had an outstanding career with the Philadelphia Eagles, Mike Nugent (2004 Lou Groza Award) is currently playing with the New York Jets, and **A.J. Hawk** (2005 Lombardi Award) is currently playing with the Green Bay Packers.

The Centerville coaching staff has 223 combined years of experience teaching football. Head Coach Ron Ullery and several assistant coaches have been recognized by the Miami Valley Football Coaches Association and the Ohio Football Coaches Association for their efforts toward Centerville's success. The varsity staff consists of 12 assistant coaches and the 9th grade team has a staff of six coaches.

The Centerville Football program plays a complete schedule of games on both the JV and 9th grade levels, in addition to its varsity schedule. The Elks are a member of the Greater Western Ohio Conference, which consists of 18 teams. The Elks play their home games at Centerville Stadium, one of the finest high school facilities in Ohio, which has a seating capacity of 8,000.
