

Decorate the Helmet Night

7th/8th/Freshman/JV/Varsity Parents

Sunday, July 28, 2024 5pm-8pm

At the CHS Football Locker Rooms

A parent or adult for each player is asked to come in and decorate their son's football locker with 2 pictures (family picture, football picture, or another picture of meaning), and a small note of encouragement. Keeping in mind that everything must be attached with magnets(provided) or masking tape. (No scotch tape or duct tape please! Please consider bringing scissors as well.) Coach Ullery would like...

- No more than TWO pictures for the inside of the top locker door
- Nothing is allowed in the bottom open part of the lockers
- Extra shirt/socks/underwear/etc...
- Healthy snacks
- A sign of encouragement for the inside of the top locker door
- A private letter to their child about how proud they are, or good luck, etc...

No streamers or anything on the outside of the lockers! The locker room should look the same after as it did before!

****Donations for all levels are needed. Please see the signup for donations.**

You will also have the opportunity to "fill" their helmet with things that might help them throughout the season. Please consider bringing and placing your items in a plastic bag since your items will be going into their helmets. Common items include: deodorant, sneaker balls for nasty smelling cleats, protein/granola bars (nothing that will melt), drink mix/protein powder, crackers or other healthy snacks, and of course a little candy that won't melt always make them happy too!

Once the helmet is filled, our volunteers will be on hand to help you wrap it in cellophane (like an Easter or gift basket) and then you will place it in the bottom of their locker.

Since there are many players, we ask that you try to come when your group is assigned to help alleviate having all football parents in a relatively small locker room all at the same time. We also ask that you do not bring the entire family, we are very limited on space. If you cannot make it at your time, please notify Cheryl or Jen (contact info below), but please try to have your items ready to go. The locker room can get really crowded.

****Please refrain from gathering and socializing in the locker rooms. You may socialize outside all you**

would like.

Based on the first letter of your last name, please try to attend at the time listed below:

- A-H 6:00-6:40
- I-P 6:40-7:20
- Q-Z 7:20-8:00

Any questions about what is allowed or if you cannot make it that night and need to someone to help make sure your son's locker is decorated, please contact:
